1. **ALTERNATIVE TO STROKE AND DISTANCE:** When a player's ball is lost outside a penalty area or is known or virtually certain to be out of bounds, the player has an alternative rather than proceeding under stroke and distance. This alternative relief comes with a penalty of two strokes and cannot be taken if a provisional ball has already been played.

**A:** Determine spot where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).  
**B:** Find nearest fairway edge, no closer to the hole.  
**C:** Drop your ball in shaded area as defined on one side by a line from the hole through point **A** and on the other side by a line from the hole through point **B**, and not nearer the hole. The Relief area is extended on both side by two club lengths.

2. **STAKED TREES:** All trees supported by stakes and/or wires or any tree having a yellow stake are to be played as immovable obstructions. Proceed under Rule 16-1.

The width of these paths is defined as two club lengths from the edge of the grass and played as immovable obstructions. Proceed under Rule 16-1.
4. **ABNORMAL GROUND CONDITIONS:** Include areas enclosed by white lines, fire ant hills and sod seams. Free relief is allowed. Proceed under Rule 16-1.
5. **AERATION HOLES:** A ball that comes to rest in or on an aeration hole, in areas cut to fairway height of less, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. On the putting green, a ball that comes to rest in or on an aeration hole may be placed at the nearest spot not nearer the hole that avoids the situation.
6. **IMMOVABLE OBSTRUCTIONS:** River Rock for drainage and concrete drainage ditches are defined by the USGA as immovable obstructions. Proceed under Rule 16-1.
